Dear Mr. Caldwell:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-The beginning cash balance of this report should equal the ending balance of your 1994 Year End Report. Please clarify this discrepancy and amend any subsequent report(s) that may be affected by this correction.

-On Schedule H2, you have disclosed allocation percentage ratios for Telemarketing Prospect 1 which do not equal 100% when added together. Please amend your report to correct this discrepancy. 11 CFR §104.10(a)(1)

-On Schedule H1 of your report, you have omitted a point in the Ballot Composition box for the office of President. Please refer to the instructions on the back of the H1 noting that state party committees should calculate a federal allocation percentage based on the ratio of points for federal offices expected on the ballot to the total points for federal and non-federal offices expected on the ballot in the next general federal election. Please amend your report to include a corrected Schedule H1 and note that a change in this ratio may make it necessary to repay your non-federal account for any over payments that may have been made.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on

our toll-free number, (800) 424-9530. My local number is (202) 219-3580.

Sincerely,
